## KENTUCKY STILL IN DOUBT

(Continued from First Page.)

years ago. Of these 32,000 votes were cast, Paul Capdeville, the Democratic candidate for Mayor, receiving a majority of 6,700.

## CLEAN SWEEP IN MARYLAND.

Baltimore, Nov. 8.—Unofficial returns from Baltimore city and all the counties of the State show that the Democrats swept practically everything before them in yesterday's contest. John Walter Smith, Dr. Joshua Hering and Isidor Rayner, their candidates for Governor, Comptroller, and Attorney General, respectively, were elected over the Republican candidates by approximately 11,300 majority. The official count, it is thought, will not materially change these figures. The Democrats elected eleven State Senators, for four years terms, with their four hold-overs, will give them fifteen out of a total membership of 26 in the upper house of the General Assembly.

In the lower house, composed of 91 members, the Democrats elected 66, while the Republicans will have only 25 delegates in the Legislature to meet in January of next year.

In Baltimore city the Democrats elected a judge of the Court of Appeals, Clerk of the City Court, Sheriff, State's Attorney, City Surveyor, and three Judges of the Orphans' Court.

## FUSION MAJORITY IN NEBRASKA.

Lincoln, Neb., Nov. 8.—Complete county returns coming in to-night do not materially change the early estimates of the results of yesterday's election. The fusionists carry the State by 12,000, perhaps more, on the face of returns from nearly half the counties. They elect William Neville to Congress over Moses P. Kinkaid in the Sixth district, but by a reduced majority and gain slightly in judicial districts. Chairman Edmiston, of the fusion State Central Committee, insists that Heloelmb is elected Judge of the Supreme Court by 15,000. The Republican committee gave up the fight and quit counting early this morning.

## VIRGINIA.

Richmond, Va., Nov. 8.—The returns show that the State Senate will be entirely Democratic; the only member outside of the regular party nominees being W. B. Shands, Independent Democrat, from Isle of Wight. The House will be composed of 93 regular Democrats, 33 Independents, and 4 Republicans. Martin will secure the nomination in the party caucus for United States Senator by a safe majority.

## THE PHILIPPINES.

## CIVIL GOVERNMENT IN NEGRO-DIED—SENTENCED TO DEATH.

(By Telegraph to Virginian-Pilot.)  
Washington, D. C., Nov. 8.—The following cablegram has been received at the War Department:

"Manila, Nov. 7, 1899.  
"The following received from Negroes, dated to-day:

"To the President of the United States:

"The civil governor, counsellors, judges and secretaries who constitute the new government of this island in taking possession thereof this day have the honor of affectionately saluting Your Excellency, and trust that in the inauguration of this form of government, based upon the liberal and Democratic Institutions which have made that great republic so grand and prosperous, that a new era will open up to this region which will enable it to reach the legitimate goal of its inspiration. MENECIO SEVERILO."  
(Signed) "OTIS."

## MAJOR M'GRATH DEAD.

Washington, D. C., Nov. 8.—A cable message from General Otis this afternoon says that Major Hugh J. McGrath (Captain Fourth Cavalry) died at Manila yesterday from wounds received at the battle of Novelda, a month ago. Major McGrath was appointed to the Military Academy from Wisconsin.

## SENTENCE TO DEATH.

Washington, D. C., Nov. 8.—The four cases of court-martial death sentences of soldiers in the Philippines—which reached the War Department by yesterday's Manila mail, are awaiting transmission to the Secretary of War. The men under sentence are Private Otto R. Conine, Corporal George Damp-hoffer, and Private Peter Bennett, all of Company B, Sixteenth Infantry, and Private William Scarborough, Company B, Third Infantry.

The cases will have to go to the Secretary of War and thence to the President for approval. Executive action cannot be forecasted, but it is generally understood here that in case the sentences are not commuted by the President it is more than likely that the attorneys for the convicted men will endeavor by technical flaws in the proceedings to prevent the imposition of the extreme penalty. It is understood also that General Otis' approval of the sentences was coupled with a recommendation for mercy. To make this recommendation, the General would have to approve the sentence, as he has the right to disapprove the sentence in toto, but not to mitigate it.

## OUR NEW NATIONAL HYMN.

We are marching on to glory with the Bible in our hands.  
We are carrying the Gospel to the lost in foreign lands;  
We are marching on to glory, we are going forth to save.  
With the zeal of ancient pirate, with the prayer of modern knave;  
We are robbing Christian churches in our missionary zeal.  
And we carry Christ's own message in our shells and bloody steel;  
By the light of burning roof-trees they may read the Word of Life;  
In the mangled forms of children they may see the Christian strife;  
We are healing with the Gelling, we are blessing with the sword;  
For the Honor of the Nation and the Glory of the Lord.

Then march on, Christian soldiers! with sword and torch in hand,  
And carry free salvation to each benighted land!  
Go, preach God's Love and Justice with steel and shot and shell—  
Go, preach a future Heaven and prove a Baptize with blood and fire, with every gun's hot breath.  
Teach them to love the Father, and very men from death.  
Proclaim the newer Gospel—the cannon giveth peace.  
Christ rides upon the warship his army to increase.  
So, bless them with the rifle and heal them with the sword—  
For the Honor of the Nation and the Glory of the word.  
—William G. Eggleston, Asheville, N. C., in Springfield Republican.

## FITZ LEE AND CUBA.

## HE DISCUSSES CONDITIONS IN THE ISLAND.

(By Telegraph to Virginian-Pilot.)

New York, Nov. 8.—"The future of Cuba" is a paper by Major General Fitzhugh Lee which will appear in the Independent to-morrow, as follows:

"When will the United States evacuate Cuba? That is a question I am very frequently asked, and I suppose it is natural for people to suppose that from my peculiar facilities for observation in the island, I might have some knowledge, or at least some opinion about it.

"Nevertheless, I have no such knowledge and no such opinion. With the very best of will on the part of our Government, a desire to keep its pledges and leave the inhabitants of Cuba to enjoy their independence in their own way, there are many difficulties in the way of withdrawal, and whether or not we have in the last six months made progress toward the end, I am unable to say.

## CONDITIONS ARE IMPROVING.

"Yet I can say that during the last six months crime has decreased and peace and prosperity are spreading or reviving in a great measure. This, however, seems attributable to the presence of the United States troops, whom the chief property holders and conservative business men insist must stay. The Cubans themselves seem to be very much divided in opinion as to what ought to be done. Some want an independent republic immediately. Others insist that Cuba should be annexed to the United States, and great numbers of others seem to have no positive opinions concerning the path their country should pursue. There is, of course, on the part of a majority, lack of understanding of the difficulties of self-government.

## THE CENSUS.

"At present the census is being taken in Cuba, and for the first time we shall have an accurate and reliable enumeration. When that has been finished, the experiment of free government by Cubans for Cubans will, I believe, be tried, precisely in what locality or in what form I do not know. That is a matter for our Government to decide, and I have obtained no information of the intentions in the matter.

## "IP."

"If it is found that the Cubans can organize and maintain a government in their island that will protect life and property, undoubtedly we shall withdraw and allow them to go their way along the path of independence, accompanied by nothing more embarrassing than our very best wishes.

## ALL IS NOW TENTATIVE.

"But at present, all is tentative, all attempts at government are merely experimental, and, not being a prophet, I am unable to say what the future holds for the Pearl of the Antilles. I sincerely hope that it is happiness and prosperity in their greatest abundance and in highest form."

## ADMIRAL DEWEY'S WEDDING.

## A LICENSE OBTAINED—DATE NOT FIXED.

(By Telegraph to Virginian-Pilot.)

Washington, D. C., Nov. 8.—A marriage license was to-day issued to Admiral George Dewey and Mrs. Mildred Hazen.

The application for the license was made by Lieut. Harry H. Caldwell, U. S. N., one of Admiral Dewey's secretaries, in person. The information furnished the clerk and set forth in the license, is that Admiral Dewey is 61 years of age, and his bride-elect 43; both are citizens of the United States, and that in the case of each party there was one former marriage. To these statements Lieut. Caldwell was required to make oath.

The marriage ceremony will be performed at Mrs. McLean's residence. Only a family party, with a few intimate friends and several high officials will witness the event. No authoritative information is obtainable as to the exact date for the wedding. Cardinal Gibbons will be away from Washington for a week, and it is believed that Archbishop Keane, a friend of the bride, will celebrate the marriage rites. The archbishop is out of the city.

## Admiral Schley in Virginia.

(By Telegraph to Virginian-Pilot.)

Richmond, Va., Nov. 8.—Admiral Schley was given an ovation as he passed through Southwest Virginia to-day. At Bristol he was greeted by 5,000 people, and after being introduced by Congressman Rheas, made a speech. Enthusiastic crowds also surrounded the train, when it stopped at Abingdon, Emory, Glade Springs, and other points.

## DAY OF MARRIAGES

Several Fair Ladies Change Their Name and Local Habitation.

The Steamer Neuse Arrives for Re-prints—Sent to the Grand Jury on a Serious Charge and Held Without Bail—Brevities.

A beautiful wedding was solemnized in the Liberty Street M. E. Church yesterday afternoon at 3:30 o'clock, when Mr. William Simon Rountree, a well-known young man of South Norfolk, assistant foreman of the Tunis Planning Mills, and Miss Carrie Marie Edwards, the charming and accomplished daughter of Mrs. Virginia C. Edwards, were united in the bonds of matrimony. The ceremony was impressively performed by Rev. Paul Bradley, pastor of the church, assisted by Rev. Robert H. Waterfield, of Portsmouth, a former pastor.

The edifice was prettily decorated with palms, ferns and cut flowers, and showed exquisite taste on the part of those who arranged them.

The bride was becomingly attired in a National blue tailor-made suit of broad-cloth, with hat and gloves to correspond, and carried Bride roses.

The role of maid of honor was filled by Miss Blanche Norton. She wore a tan cloth dress, with brown ribbon and light blue silk trimmings, with hat and gloves to match, and carried white chrysanthemums.

Mr. Herbert Rountree, brother of the groom, was best man. The ushers were Messrs. Henry Wilson, Claude Rountree, Frank Wilson, and Charles Hayes. The gentlemen wore full black suits.

The bridesmaids were Misses Florence Norton, Evelyn Walke, Gertrude Hodges and Bertha Adams, members of the bride's Sunday-school class. They were dressed in white organdie, and carried white chrysanthemums.

The wedding party reached the church promptly at the hour mentioned, and proceeded up the aisle in the following order: The flower maids, followed by the ushers, the bride and groom next, followed by the maid of honor and best man. The wedding march from Lohengrin was skillfully executed by the organist of the church, Mrs. N. G. Wilson.

Arriving in front of the church, which presented a veritable scene of tropic beauty, Mr. Rountree and Miss Edwards were happily united in the bonds of holy wedlock.

The ceremony over, the wedding party, with the bride and groom in the lead, retired from the sacred edifice to the sweet strains of the recessional march and entered carriages for the Norfolk and Western depot, where Mr. and Mrs. Rountree boarded the train for Richmond and other points of interest.

There were a large number of beautiful and costly gifts to the bride.

## FOREMAN—BORUM.

The beautiful home of Mr. and Mrs. D. C. Foreman, No. 25 Pine street, presented a scene of rare enchantment at 4:30 o'clock yesterday afternoon, when their fair and winsome daughter, Miss Vida Anita Foreman, became the bride of Mr. J. Vernon Borum, a well-known young man of the town.

The spacious double parlors were elaborately decorated with palms, ferns and chrysanthemums, which presented a bower of beauty. Under the darkened windows of the front parlor was a beautiful arch, entwined with asparagus and cosmos, with a background of ferns, and suspended in front of the arch was a bell of white and yellow chrysanthemums, under which the marriage rite was performed. Lohengrin's wedding march was artistically executed by Miss Bettie Borum, sister of the groom, as the party entered the parlors. The best man, Mr. Wm. G. Pritchard, and the maid of honor, Miss Elthel Foreman, sister of the bride, entered the room first, followed by the contracting parties.

The ceremony was performed in a most impressive manner by Rev. R. M. Chandler, pastor of Chestnut Street M. E. Church, the ring service being used.

The bride was becomingly attired in a gray silk poplin, trimmed in fur, with hat and gloves to match and carried white chrysanthemums.

The maid of honor was costumed in white organdie, and carried white chrysanthemums. The groom and his best man appeared in conventional black, with white boutonnières.

After receiving the congratulations of all present the happy couple embarked on the Bay Line steamer for Baltimore and other cities. The bride was the recipient of a large number of useful, ornamental and costly presents.

The marriage of Mr. James MacJones

Chairman Jones Satisfied.  
(By Telegraph to Virginian-Pilot.)

Tyler, Texas, Nov. 8.—United States Senator James K. Jones, chairman of the Democratic National Committee, is in the city. Upon being asked as to election results, the Senator said he was satisfied and was not altogether surprised, though he did not look for quite such a Republican majority in Ohio. The Senator and Mrs. Jones will leave in a day or two for Washington.

and Miss Carrie A. Drury yesterday evening was one of the most beautiful social events that has transpired in Berkley Avenue Baptist Church in a long period of time.

The interior of the edifice was elaborately decorated, the pulpit and chancel being almost hid from view by the magnificent display of palms, ferns, dotted plants and cut flowers, while the soft light reflected from the decorated lamps, and presented a veritable scene of beauty. The large and fashionable audience, many of whom came from Franklin, added eclat to the occasion.

At the hour of 7:30 the wedding party arrived at the church and proceeded up the western aisle in the following order: The ushers, two abreast, followed by the bride and maid of honor. The groom and his best man approached by way of the vestry, while the organ, under the skillful manipulation of Miss Mamie West, organist of the church, gave forth in sweetest strains the wedding march from Mendelssohn. When the bride reached the groom in front of the chancel the impressive ceremony which made them man and wife was performed by Rev. T. Clagett Skinner, pastor of the church.

The bride was attired in gray broad-cloth, trimmed in velvet and white silk, with hat and gloves to match, and carried bride roses. Miss Bettie Borum, cousin of the bride, was maid of honor. She wore white organdie. The best man was Mr. B. D. Jones, brother of the groom, and the ushers, Messrs. William G. Pritchard, of Berkley; Z. F. Walker, of Norfolk; J. B. Crocker, of Franklin, and Dr. J. E. Rawles, of Suffolk.

The groom and his best man and ushers were in full dress and wore white boutonnières.

At the conclusion of the nuptials Mr. and Mrs. Jones were driven to the Seaboard Air Line depot and took the train for Franklin, where the happy couple will reside.

There were a large number of beautiful and costly bridal presents, exceeding two hundred in number, many of them sent by relatives North.

The bridegroom is a popular young business man of Franklin, Va., and stands high in the social circles of that community.

A reception was tendered at the home of the bride, Maple avenue, Tuesday evening, at which there were a large number of guests from Franklin, Newport News and Norfolk. A reception was held at the home of the groom at Franklin last night.

The passenger steamer Neuse, of the Norfolk and Southern railroad, which went ashore on Pocomoke Point near the mouth of Pamlico river, N. C., arrived here Tuesday night, under her own steam from Behaven, and is lying at the company's wharf. She is thought to be in fairly good condition.

She will go on Thomas' marine railway to-day for an overhauling and necessary repairs. The steamer was grounded on the 17th of August during the heavy gale.

## HOUSEBREAKER HELD.

The case of Allen J. Hoge, who was arrested on the charge of house-breaking, with intent to commit larceny, was before the Mayor yesterday and was sent on to the grand jury. Bail was refused. It is said that he made a confession of entering Mr. W. Parsons' residence, and told where he hid the jewelry, which was found. Pawn tickets were secured connecting the accused with several other cases.
